MISSIONARY OPERATIONS.

The Executive Board of our Missionary Society held a meeting on Fourth-day of last week, at which interesting and encouraging letters were read from the brethren engaged in missionary work under the direction of the Board.

From Eld. Thomas E. Babcock, letters were read, showing that he left Albion, Wis., for his field of labor in Kansas, on the 10th of April. No report has been received of his journey, or of the condition in which he found things.

Eld. A. A. F. Randolph writes, that he is making arrangements to start soon for Pardee, Kansas, in the vicinity of which church he proposes to settle and labor permanently.

From the letters of Eld. A. B. Burdick, it appears that his journey to Minnesota was interrupted, temporarily, by what was deemed a call of duty at Albion, Wis.

A letter was read from Eld. Solomon Carpenter, which we print entire: "I have something to say about casting the beam out of our own eyes, which I reserve for another issue."

LETTER TO BENJAMIN OLARK.

DEAR BROTHER.—I have read your letter in the Recorder of April 9th, addressed to me, on the subject of Adventism, and have only time to say, that I have paid some attention to the movement, but do not find myself in sympathy with it.

Among those who have passed away is one of our little flock. And you will allow me to say, to those who have been laboring and praying for us out here, that we have another lamb folded and safe, so we trust, from the storms and tempests of this lower world.

Le Chong was baptized the 20th of October, 1849, and was one of the two native converts who helped constitute the 1st Seventh-day Baptist Church in China, July 7th, 1850.

Le Chong and Chong seen-sing were the only two lambs God had given us at the time above referred to, and now that the Chief Shepherd has transferred them to a more congenial clime, with safer surroundings, we will rejoice, and thank lightly of the little sacrifice we have made in coming to this country.

he is fully entitled. With the aid of his pictures, he is able to hold the attention of the children as very few persons can.

DR. JACKSON'S WILL. Rev. Dr. Jackson, a distinguished Baptist clergyman of Newport, died a few days ago, while on board the cars between Providence and Greenwich.

RELIGIOUS INTELLIGENCE. The continuance of revivals in Utica, N. Y., Colchester, Vt., Boston, Philadelphia, and many other places is reported. Twenty-five were recently received to the fellowship of the Twelfth Baptist church in Boston.
