SABBATH RECORDER OCTOBER S. THE 1868.

Missellancaus.

A STORY OF FRENCH ORIME.

689

The following is the latest story of French crime growing lout of religious questions : D'ATTAT

Some years ago two men. Antoine Fillion and Claude Maucuer, were working together in a stik mant-Letory at Lyons and Tillion conceived, an intense batred of Maucuer. Fillion left the manufactory, rejoined in and was, one of the bands turned off during a recent slackness of work On the 80th of last June, he came be-Bild Madeuer and stabbed him in ligious man. They had often had but lying in bed. picture of the enormities he had to say. "Many people said," &c.

other men would regard the wish to also is more properly spelled inquire. tional and State statistics, that concommit murder or rape. At last a private wrong determined him to avenge himself and the world on this odious monster. His father stopped an "allowance he made him, on the following extract of a private letter ground that he had been discovered to be illegitimate ; and this discovery was supposed to have been made ing the late terrific earthquake which

by the confession of his mother, to visited that city : which a pricet had urged her. The confessor was, as Fillion termed it,

the vessels have expressed opinions very favorable to their designers.

WRONG WORDS.

Lay and lie are words often not the back with a dinner-knife. The rightly used. "He laid there," is standers to arrest him, sat calmly down," is right; so is "I laid me or dewn to what till the police came, myself down." "Let it lay there," In his mocket was found a written is wrong but "let it lie there," is statement of the motive which had right. To lay, or laying, is a verb, prompted the crime, and he stuck and means the act of depositing trial The motive was simple, but thing is there, it is not laying, but strange, He had committed the lying. "He was laying in bed all murder because Maucher was a re- night," is wrong. He was not laying

fierce arguments in the working. The words there were are often room, in which Fillion reasoned as a prefixed to sentences where they general disbeliever in all religion, ought to be omitted, as "There were and four crowns, and are sending np gance." and Maucuer as an ardent Catholic many people said." This is wrong, magnificent stems crowned with "Fillion, in his statement, drew a Omit those two words, and you will blossoms. I feel tolerably sure of

endure in his oppowent. All the ideas The words intrenchments and innu- an Agriculturist. of Maucuer, he said, were opposed to endo are almost universally mispelled him." CONSUMPTION IN THE UNITED STATES. -Dr. Augustus A. Gould, in his resumption is the most fatal in Massa-

chusetts of any State in the Union. The number of deaths by consumption in Massachusetts in 1961, was

4845; in all New England 11.792; in New York 8207; Pennsylvania 5012; Ohio 3495; Oregon 21; California 524 ; Minnesota 151 ; Wis-

853 ; Missouri 1302 ; Florids 97 ; Iowa 748. Throughout the United States 48,803. By these statistics

ODDS AND ENDS.

There is no book so thesp as newspaper innone so interesting, because it consists of a variety measured out in suitable portions as to time and quality. Being new every day or week, it invites to a habit of reading, and affords an easy and agreeable mode of acquiring knowledge. so essential to the individual and the community. It causes many hours to pass away pleasantly and profitably, which would otherwise be spent in idleness and mischief.

As an illustration of the difference n climate at various localities in California, it is stated that at two o'clock one day recently, as the boat for San Francisco was leaving Stockton, the thermometer, on the deck of degrees. When the boat had traversed about three-fourths of the dis-

dwelt touchingly upon the father's 10, but does not run to Dunkirk. circumstances when he saw his son

afar off, thus : "The sun had not yet sunk beneath the western horizon. There, in his easy chair, before

the door, sits the aged father, readvictories."

raised in the United States, in Great A mule was drowned while the army of Gen. Rosecrans was crossing the Tennessee river. His last moments are thus graphically scribed by a correspondent of western paper : "Notwithstand his almost human agony and des rate exertions to save himself. mense value. In 1807, during the finally yielded up his breath, in second invasion of Spain by the great assinine sigh, that floated

French, some of the valuable crown the surface in a frail bubble." An "august" leader of Fre American consul at Lisbon, Mr fashion, promenades the shady gro Jarvis, purchased fourteen hundred of Vichy with a sort of walking-ca head, and sent them to this country. "with a bill head," in her hand.

Buiscriptions not paid withth six months from the beginning of the year will be liable to an additional charge of fity cents. Bubberibers wishing to discontinue their papers, must pay all arrearages and notify the publisher of their wish. Payments received will be ack nowledged in the paper. so as to indicate the time to which they reach.

Advertisements, of a character not incon. sistent with the objects of the paper, will be inserted at the rate of five cents per line for the first insertion, and three cents per line for each subsequent insertion. Legal ad. vertisements, at the rates fixed by law, A fair discount will be made to those adverting. ng largely or by the year.

Communications, orders, and remittances, should be directed to Guo. B. UTTHE, Wes. terly, B. I.

THE LAW OF REWSFARERS.

1. Bubscribers who do not give expres notice to the contrary, are considered as wishing to continue their subscriptions. 2. If subscribers order the discontinuance of their papers, publishers may continue to send them until all sums due are paid. 3. If subscribers neglect or refuse to take their papers from the lomos to which they are directed, they are held responsible un-til they have paid what is due, and ordered their papers discontinued.

4. If subscribers femove to other places without, informing the publisher, and the paper is sent to the former direction, they are held responsible.

5. The law declares that, any person to whom a periodicalls sent, is responsible for payment, if he receives the paper, or makes use of it, even if he has never an bacribed for it, or has ordered it stopped. His duty in such a case is, not to take the paper from the office or person to whom it is sent, but to notify the publisher that he does not wish it.
