- Passing over about twenty years of our brother's history, during which time he passed through a diversity of life's vicissitudes, on both land and water, and experienced some revivals and declensions in his own mind as a Christian pilgrim, we reach a time when his mind became deeply impressed that God had something else for him to do than building and navigating vessels. After some two years of hard struggling and severe conflicts in his own mind in regard to his call of God to the labors of the Gospel ministry, he was set apart to that work, in Hopkinton, R. I., April 4th, 1819; and from that date and
