### THE SABBATH RECORDER, NOVEMBER 19, 1868

# The Salama Scorter S.Y. R.L. FIFTH-DAY, Nov. 19, 1965

ALENE T-Martian

This is as it should bely The Christ is a got hind principle is trading in Nagasaki, stayed with him awhile, obtained some informails growth in the heart or hands it. Christian sympathies are ever tion in regard to Christianity. and then disappeared. Not long since a g and decreasing. As we adpamphlet was published, inciting vance is life and Christian experience, we generally become more Verbeck at once recognized it as the abaritable Hearts should ripen and production of the priest who had mellow; like apples in sdyancing aubeen under his instruction. is the priests of Buddha who have tumn. Creeds should not sunder Christians. nor circumscribe .fellowmence the persecution." thip and effort within narrow bounds tis evident that the Christian world is learning this more rapidly than in tendency among sects to co-operate is all good works. Liberality is on the increase. Yet we should not induige a too sanguine hope that the day of sectarianism is soon to pass away. Much of the liberality of the present is only apparent; much of it is spurious. This might be expedied. The worth of the genuine makes the counterfeit frequent. There is a great deal of Uliberal liberality There is a vast amount of praise be stowed upon it by those who know he of its real nature and tendbut lit encies. Orators, who scarcely read. and never study, the Bible. deliver eloquent eulogies upon the Sacred Word. Where the hearts of Christians have become so cold that they can hardly praise God, they are quite likely to say much in praise of reli-

gion. It is a common experience, that they who make so-called liberality a hobby, are often, though perhaps unconsciously so, extremely intolerant. The Paritan, fleeing from persecution, seeking religious liberty, of your correspondent to West Virand becoming persecutor in turn, is not a very strange anomaly. The open-communionist has sometimes declined to commune with him who holds to restricted communion, becanse of such holding. The politician who starts with the cry of "no party," becomes himself the most bitter partizan. The zealot preaching "uo sectarianism," has sometimes found himself ere long the founder of a sect. So it is some-

The elaborate article by Dr. Ma on, published in the Baptist Quarter; ly a few months since, has been truthfully and ably criticized in your columns by L. C. Rogers. A reply to it. or at least a counter article, will doubtless appear in the next number of the Quarterly. In the Radical, " A Monthly Magazine of Natural Religion and Intel-
