remedy for Internal and External Com-plaints. At this period there are but few-of the human race unacquainted with the merits of the Pain Killer; but while some extol it as HAVE REARD OF of the Fain Killer; but while some extol is as a liniment, they know but little of its power in easing pain when taken internally, while others use it internally with great success, but are equally ignorant of its healing virtues when applied externally. We, therefore, wish to say to all that it is equally successful wheth-er used internally or externally, and it stands alone unrivalled by all the great catalogue of Family Medicines, and its sale is universit and immense. So ladies, dear ladies, do not forget, Here's an excellent bachelor's habitation to the car men were down all the time. It is very possible some vapor hitherto unknown, at least, in gold mines, ignited. There certainly was a severe explosion felt, both above and below. Men's hats were blown off by it, who afterward escaped.- Some were probably killed outright, as in the fire damp explosions. Others think the fire broke out from a candle, and the rocky sides of the drift becoming heated, acted as retorts to distilled gas from the pine timbers, a large body of which ignited, and so spread the fire over a great space All sorts of theories are afloat. It is evident that something for which there is no precedent has happened.
