

"HOB YOUR OWN ROW."

BY ARICK CARL.

I think there are some maxims under the sun...

Don't just sit and pray for increase of your store...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...

Don't let the wind blow you about...
