

Miscellaneous
A VERY STRANGE STORY.
A Florence newspaper, L'Italia, extracts from the Annale de la Medicine de la Chirurgie Francaise the following extract...

under such circumstances, a little coal should be placed on the fire, and when it has caught more to be added, and the raking deferred until it has got well ignited...

heard the shouts and barbarous songs of the Korak bacchanals, and our sleep was disturbed by many unpleasant dreams of being chastised with willow switches for getting drunk upon lead-stools.

OLD TREES.
The oldest tree known by naturalists is the Great Dragon tree of Orotova, Teneriffe, which was blown down by a hurricane a few months since...

have prospered and am wealthy, and I now offer you but a poor return for the soil-wealth you gave to me in that bygone time.
