

Hebrew scholars tell us that the text literally reads, "Initiate a child as a duty they owe to their parents, show him the duties, dangers, and and who enjoined the duty. Thereblessings of that path. Fix these on his mind by daily inculcation, till their impression is become indelible; and lead him into the practice, till each indelible impression becomes a strongly radicated habit.' "

God has expressly enjoined family religion. See Deut. 11: 18, 19ture and admonition of the Lord." "Therefore shall ye lay up these my In all instruction given to children, words in your heart and in your soul, their minds should be cited to the and bind them for a sign upon your great Father above, who enjoins hand, that they may be as frontlets between your eves; and ye shall teach them to your children, speaking of them when thou sittest in this, their obedience to parents is lia- sequently, before the child submits, thine house, and when thou walkest ble to become mere eye service; be- perhaps the parent has compromised, by the way, and when thou liest cause, when the fear of detection by and yielded part of what he, at first, down, and when thou risest up." As the parent is removed, there is little insisted on. This tends to destroy, God has laid this duty upon the pa- left to prompt obedience, unless it be not only respect for the authority of such a view of the importance of in- souls may receive the seal of God's rent, so has he prepared the hearts of on the side of self-interest. This was his plan for us to get away without revealing the real neture of our basiness.

Entering the court of the build. ing, we were met by a dirty, but rather polite Arab, who conducted us up stairs for a look at his property. On our way up we passed at one landing four or five young men and boys, who seemed in no way remarkable except for blackness, dirtiness, and scantiness of clothing. A little further on we were shown four young women. It would be hard to tell their ages with much precision, but they were probably between eighteen and twenty-five. Ttey were very black, and were said to be from the Soodan, and evidently knew very little Arabic. They were manifestly savages; appeared to be from different tribes, and probably in their ordinary costume. Except some slight covering for the head, and some glass beads on their necks and wrists, each wore only a single ragged garment. Two wore the radiating head-gear described by Dr. Livingstone. We November, and published soon after, were offered an opportunity to inat the request of members of his con- spect the soundness of their teeth, the firmness of their flesh, &c., but

3. Resolved. That our thanks are due to the Grand River Conference for calling our attention to this important subject ; and that their Committee, which has reported to us, be continued as a Committee of this body, and instructed, by correspondence with other ecclesiastical bodies. and in other ways which they may deem feasible, to secure the end contemplated in the above action, and save the Sabbath-day from this deseeration.

It is difficult to understand how a body of intelligent, Bible-reading men, could adopt a statement like that contained in the first "Whereas" of the above extract. It is more than orthodox in its assurance. Has the "Congregational Conference of Ohio" found out a way by which a mises, he says : thing concerning which God has said nothing, unless to condemn it, "is of divine appointment !" God has said, that the seventh day is the Sabosing one to the cause of truth and bath, and in so saying has condemned the keeping of any other as a substitute in place of the seventh. It is adding presumption to disobeand Greeleys, our Beechers and Tildience, to trample on God's day, and tons, bid fair to eclipse Mr. Clay's then claim to have his authority for fame in the ingenuity and art of compromising. But is it too much keeping another in its place. Or, to say, that the compromise, to which does the "Congregational Conferthey are here lending their influenence" mean to say, that Sanday "is tial names, is on so broad a scale of divine appointment," because it and of so wide a sweep, as to dwarf in the comparison even Mr. Clay's exists in the Church ? If so, then huge compromises? Our Common better go back and rest in the bosom School is disturbed; and a remedy, of the "Mother Church," the "Harwhich these eminent gentlemen accept, is to cast the Bible out of it. bor of Rome," for she, first of all, "appointed" Sunday as a day of The billows of agitation are rising partial rest and worship. WOLVES IN FRANCE .--- In the good hunting country of the Ardennes, France, wolves have been already seen. A cold winter and fine sport are expected. Last winter, in the hunters. It spread terror in the neighborhood of Vouziers. It was larger, stronger, and more intrepid. than a wolf, with an enormous head and a square jaw. It was, in short, hill-top-upon a small, outstretched a cross between a large male wolf hand, as of one crying from the and a powerful dog bitch. It stood ground; this one little hand, with its fiercely at bay, and disabled seven or eight dogs before a rifle ball laid him thin fingers held up to heaven, as if low. The Pyrenees will also be full of wolves. The bathing stations, when buried under snow, present a curious aspect. The inhabitants have abandoned them, the houses are shut
