EDWIN M. STANTON. The funeral of Hon. Edwin M. Stanton, last week, was numerously attended, and in all parts of the country evidence was given of the high appreciation in which he was held

It is stated that Mr. Stanton died poor, and that he recently declined a large sum which his friends had subscribed for his benefit. It is now proposed to make up a fund of a hundred thousand dollars for the benefit of his family. A. T. Stewart takes the lead in the movement, and President Grant has subscribed one thousand dollars toward the fund. A memorial meeting in honor of Mr. Stanton was held at the Union League Club in New York, on Thursday evening, Dec. 30th, when addresses were delivered by Wm. Callen Bryant, Dr. Bellows, Dr. Thombson, and others. The following is an extract from the address of Dr Thompson:

The de-ceased was a member of the Sabbath School, but not of the church, before his death. Though he was sick only three days, he gave good evidence to his friends of a readiness to meet God. On the day and evening 'previous to his death, he often prayed, and when his pastor and others prayed, he joined, with the request that he might get well if it was the will of his Heavenly Father, manifesting at the same time perfect resignation to whatever God in his providence saw fit to do. some of his last hours, he conversed freely with his relatives and his associates, exhorting the latter until strength and reason failed him. Among his last expressions, he said to his Sabbath-school teacher, calling him by name, "Do you see that man up there?" He said, "No, I do not, but I suppose you do." He said, "Look up high, there are two of them up there, and oh, what a city too—how bean-tiful—it has no end !" So we trust he fell asleep in Jesus. Blessed are the dead that die in the Lord. E. D.
