COORAPHIC MATEI

Lay structured between Dives and Lazarus of old: Once on these hillsides sported wild deer, -And the wilder Red Men hunted them here, Startling full oft in his lonely lair, The hungry wolf, or the shagy bear; Or pausing to hear, 'mid the curling brake, The thrilling hiss of the rattlesnake. Now the deer and the hunter alike have flown. flown, And we listen in vain for the wolf's harsh tono, And we look in vain for a living thing. Save the bird glancing by on golden wing, And the myriad forms of insect life, Wherewith the earth and the air are rife. On such mountain tops, of old, men trod, and there, face to face, they talked with God There Moses knelt to receive the Law, and there that radiant vision saw, Whose faint reflection o'er him thrown, Ilis own face, as an angel's, shone. Such wilds as this men oft have sought, For refuge and for rest, and thought o draw nearer God, and grow more strong, The mountain fastnesses among. But lonely paths, through desert lands,; Our arid wastes and burning sands, . And gloomy caves and mountains high, . Witness the soul's despairing cry: Man can not leave himself belind; The translind conventioned restless mind. The troubled conscience, restless mind, The heart's disquietude and pain, In change of place, find little gain. We need not shun all human kind, It haply we our Lord would find, In thronged mart, on crowded street, His image we may daily meet, And best our mission here fulfill, And best perform our Master's will laboring, as he labored, where Men have most need of tender care Do you ask for the Legends of Lantern Hill 2 Linked with each mountain and valley and

Some song or story belongs to the sod, Wherever the Red Man's feet have trod, With this it is only a brief, and tale, Where beastly passions o'er reason pro Λ tale that, alas! might often be told, In later times, as in days of old, When men, by their folly rendered blind, Have broken each law by God designed, sons." and rushed at last uncalled to meet the terrors of the Judgment Seat. And this was only an ignorant squaw, Whose forest life had taught her no law But appetite, and who knew no gain For self-denial, but bitter pain. Shall we marvel, or deem it so strange a sin. That she plunged from this height for a plu of gin, And lost in her fall the pitiful gain She had bartered her life in the hope to of Are not sadder wrecks seen on every hand. Scattered broadcast throughout our land ! Men who have trodden the heights of fame Who once had wealth and an honored name, Jud friends and home, children and wife, And a hope of heaven in the future life, Who have plunged to the lowest depths And bartered them ALL for a pint of gin ! come. For this child of the forest, no friendly arm / Was outstretched to encircle and shield he from harm; No whisper of warning was borne to her ear sorrowful fate was unmarked by a tear. Not for her will such fearful upbraidings of soul Be found, when the Future its terrible scroll Shall unroll, (and the secrets which hidden Tay, Stail grow clear in the light of eternal day.) Not for her the depths of that bitterest woe, And self-accusing, which many must know, Who have turned a deaf ear to every prayer By affection breathed, and whose final d spair It keenest pang shall wring from the thought, w your duty, but did it not." Oh! young men !. oh ! strong men ! the pride And the light of our homes, beware how you On the dizzying heights of that hill from whose top To a drunkard's most infamous grave you which the perception is realized, an may drop. Beware, on the treacherous slopes, how you

For the hillside is white with the bones of the nocent women. And he cites his But few who have trodden that pathway of knowledge of a lady, on whose judgshame, Have ever returned to the heights whence its rectitude, he could rely almost as they came, Those few, by the briers all bleeding and torn, on an oracle. But, he adds, "when Have wept o'er a life of its purity shorn; For the stain lingers darkly, repent as you detail of the grounds and reasons

LETTERS.

last few weeks of her life, during which time she had been receiving medical treatment in the city. The loss by her death will be se-verely folt among her many friends and rela-tives, particularly at Farina, where her kind-ness and unremitting care and attention will ever be remembered by the new-comers in their first settlement in the country. But no-where will the weight of the blow rest heavily as on her own dear family, now bereft of both father and mother. The thought that she is at rest, and the hope of meeting her again, will enable them to be resigned to the separation. Mrs. Goodrich had never made an open profession of religion, but was

sent a special commission to that country to procure it in its native purity, and having found its wonderful curative properties to even exceed the anticipations formed by its great reputation, has concluded to offer it to the public, and is happy to state that he has perfected strangements for a recular monthly perfected arrangements for a regular monthly supply of this wonderful Plant. He has spent made an open profession of religion, but was a believer in its necessity and reality. In her much time experimenting and investigating as to the most efficient preparation from it, for popular use, and has for some time used in his own practice with most happy results the effectual medicine now presented to the doings, more than in her profession, were the real excellences of her character found. Her remains were brought back to Farina, and the funeral attended on Sabbath, April 8th, when
