

PROTESTANTS IN FRANCE.—A French paper, upon the statements of which much reliance is placed, estimates the Protestant population of France at 1,600,000.

European News.

One week later news from Europe has come to hand since our last, of which we make the following summary.

BENEVOLENCE OF FRENCH PROTESTANTS.—The oldest religious Society among the Protestants of France, the Bible Society, was founded about thirty years ago.

Table with 2 columns: Receipts in France, and amounts for various societies like Protestant Children, Religious Tract Society, etc.

From this it appears that these ten Societies raised about \$118,000, and expended nearly \$120,000.

ANTI-SLAVERY MISSIONARY SOCIETY.—The American Missionary Association refuses membership to slaveholders.

Table with 2 columns: Foreign Missions, and counts for whole number of missions, stations, ordained ministers, etc.

THE PEOPLE'S COLLEGE ASSOCIATION held a meeting at Seneca Falls, N. Y., on Thursday, Oct. 13.

A CHURCH THAT NEVER HAS DISMISSED A MINISTER.—A correspondent of the Central Christian Herald, writing from Windsor, Ct., says:—

It is a remarkable fact, that from the settlement of this town down to the death of the last pastor, who remains interred in this venerable spot, and who died in 1835, a period of over two hundred years, there never had been a pastor dismissed from the church.

It is a remarkable fact, that from the settlement of this town down to the death of the last pastor, who remains interred in this venerable spot, and who died in 1835, a period of over two hundred years, there never had been a pastor dismissed from the church.

Violent gales had raged in the English and Irish Channels during the week, and had caused much destruction of shipping.

Wm. Crafts, the Boston fugitive, writes a long article in The Morning Advertiser, in reply to some strictures in Dickens' Household Words on slavery.

The cholera is rapidly decreasing in Poland and Prussia.

The Paris journals are principally occupied with chronicling the progress of the President through the Southern Departments.

Great activity prevails in the French Navy Yards. The Government have completed contracts with Mr. Stewart, an American, for 1,000 masts of Florida pine.

The Government of Spain has ordered honors to be rendered to the memory of the late Duke of Wellington, its general dead—aged 95—and will be buried with national solemnity.

From Burmah we learn that the steamer Phlegathon had been up the river to Prome to reconnoitre, and it was believed a general advance would be made as soon as four or five additional regiments reached Rangoon.

After the above was in type, four days later news was received by the Arctic—the Liverpool dates being Oct. 6.

We regret to have to record the total loss of the ship Mobile, Capt. Tarbox, of and for New Orleans, from Liverpool 27th ult., with a crew of twenty-three hands and sixty passengers, all of whom, with the exception of nine, perished.

SINGULAR DISCOVERY OF OLD BANK NOTES.—A large quantity of old papers, which had been accumulating in the store-rooms of the late Dr. Wm. for many years, were put aside to be taken to the paper-mill some days since.

A SHIP AND CREW DESTROYED BY LIGHTNING.—Wilmer & Smith's Liverpool Times, Oct. 2, says that on Saturday intelligence was received at Lloyd's of the total destruction of the ship Maize, of Queenstown, Pearson, master, by lightning, on the 3d of August last, when off the island of Malta.

A great sensation has been made in Paris by the assassination of Mr. Morton, correspondent of the London Daily News, by Mr. Bower, correspondent of the London Morning Advertiser.

We understand that fraudulent tickets to California passengers are again being issued, and warn those bound to the Golden Region to buy only of owners of steamers, and not of pretended agents.

Intelligence has been received at Vienna, from Syria, that the Druses are everywhere arming, and that an insurrection in Palestine is apprehended.

The steamship Illinois, with California dates to Sept. 16, arrived at New York on the 13th inst. She brought 284 passengers, and nearly \$2,000,000 in gold dust.

The Illinois passed the wreck of a vessel bottom up, which appeared to be a brig of about 150 tons, nearly new, and sheathed with metal; her spars and sails which were lying along side, all appeared to be quite new; her hull was of a clipper build, and the rudder rounded at the bottom.

The accounts from the agricultural districts of California are highly favorable, the harvest being abundant in quantity and rich in quality.

In the gold regions, new and valuable discoveries are announced, and quartz mining still promises to yield liberal returns.

The appearance of the cholera, both at San Francisco and in the interior, has excited considerable alarm; but the disease was limited in its ravages; and few cases occurred which were not the result of imprudence or previous debility.

Our advice prescribes the record of an unusual number of crimes and outrages, from some of which loss of life ensued.

Some trouble had occurred in Calaveras County, among the foreign population, originating in the shooting of a Chilean by an Italian. The latter was seized by the Chileans, and preparations made to execute him.

In Sacramento, meetings had been held and resolutions passed condemning the manner in which the parties having charge of the relief train, conducted it.

An interesting ceremony among the Jews took place in Sacramento on Friday, Sept. 3d, in the form of dedicating their synagogue.

A company of passengers left Panama for San Francisco March 7th, and reached San Blas in 93 days, 19 dying on the way.

The Polynesian contains an account of the loss of the Schooner Marianne, on her passage, loaded with a miscellaneous cargo, from Hiale to Honolulu. She was struck with a squall and sunk.

A vessel will sail from Baltimore for Liberia, Oct. 30th, and from Norfolk, November 1, with 300 emigrants, mostly free-born persons, principally from Virginia and North Carolina.

Hon. Elisha Whittelsey has received a letter from Mr. John P. Brown, of Constantinople, in which it is stated that his Imperial Majesty, Sultan Abdal-Majid, is about to contribute a block of marble from Byzantium to the Washington Monument.

A dispatch dated Milwaukee, Friday, Oct. 15, 1852, says: Yesterday, a woman named Ann Wheeler, formerly of Cleveland, where her friends reside, shot a young man named Luce, in the street, with a pistol.

On Friday evening, Oct. 15, a collision occurred on the Utica and Schenectady Railroad, between the passenger train going East and the freight train bound West.

PIRATES IN THE CHINA SEAS.—Captain Palmer, of the New York clipper ship Celestial, from Shanghai, at Liverpool, under date of 1st October, says to his owners in this City:—

"I omitted to mention in my last, that I was attacked by a fleet of nine piratical junks on the coast of Hainan. The ship was between the land and the junks, wind light, and the pirates within a quarter of a mile of me, when they all bore down upon the ship, beating their gongs and firing with double-shotted guns. The guns, however, were too heavily shot, and fell short of us.

AIR-LINE SOUTHWARD FROM NEW YORK.—The "Florence and Keyport Company" is incorporated by the State of New Jersey, to hold a capital of 20,000 shares, of \$100 each.

RAILROAD ACCIDENT.—On Thursday, Oct. 7th, a terrible accident occurred on the Boston, Concord and Montreal Railroad. An extra train was coming from the steamboat Dover at Meredith Village, en route for the State Fair at Meredith Bridge.

THE long-shore-men of New York—the men who load and unload ships, and rig them for sea—are on a strike for higher wages.

The Buffalo Courier learns that Messrs. Wards are preparing to build two of the largest side steamers this winter, to run in connection with the Michigan Central Railroad.

Frederick Keriger, a German, grinder in the cutlery establishment of Lamsons, Goodnow & Co., Shelburne Falls, Mass., was recently caught by one of the bells leading from the grindstone to the main drum, and thrown some ten feet against the shop so violently as to kill him instantly.

The Poughkeepsie Eagle says of the Hudson River Railroad: The work of laying down a double track, to extend ultimately throughout the whole length of the road, has been commenced and is vigorously prosecuted on three different sections.

The Boston Atlas says a boy named John Roberts, 12 years of age, was sentenced by Justice Rogers, on the 2d, to 6 months' imprisonment in the House of Reformation, for being a confirmed truant from school.

Thompson's Reporter cautions the public against taking the notes of the Springfield Branch of the Ohio State Bank, as counterfeiters are in circulation, so well executed as to be almost impossible of detection.

The Richmond Examiner, of the 14th ult., says: "On Wednesday last, a gentleman near Fredericksburg, Va., sold to an Alabama planter 100 negroes for \$45,000.

The keepers of eating houses in New York have united in raising prices about 50 per cent, on account of the extraordinary price now borne by meats of all kinds.

At Cincinnati, Oct. 10, a resurrectionist was shot dead in the city burying ground as he was disinterring a corpse.

There were, according to the report published in the New Orleans papers, 26 cases of yellow fever in that city last week.

At the Oneida Agricultural Fair, John C. Hastings received a premium of \$1 for half a peck of Maiden's Blush—apples.

A negro, who had attempted to violate the person of a white lady, was recently hanged by a mob in Fayette Co., Tennessee.

An astounding case of embezzlement is under legal investigation in New York. The great banking firm of Brown, Brothers & Co. have brought a charge against their confidential clerk, Augustus Bowen, of having embezzled the sum of \$220,000, which he has held, since July, 1851, to D. A. Comstock, a broker in Wall-street.

Bill Ross, a free man of color, was sentenced at Richmond, the other day as follows: For stealing Mrs. Gould's watch, 39 lashes; For robbing Mr. Miller's shop, 39 lashes; For stealing from Mr. Bachroch, 39 lashes; Total 117 lashes.

The Island of Porto Rico and the adjacent islands were visited on the 26th September by a severe hurricane, which did much damage to the shipping. A New York brig was totally lost off Inagua, and many others damaged.

The steamer Tuscumbia struck a snag near Memphis, on the 10th, and sunk in 9 feet of water. Cargo partly saved. The steamer H. D. Bacon struck the wreck of the Chilli-cock at Island 10 and sunk, proving a total loss.

Col. Blodgett, who has recently come over the Plains, estimates the emigration to the Pacific by that route at 40,000 persons, with 8,000 wagons and 60,000 cattle.

THE subscribers invite the attention of all persons who desire a cheap, brilliant, and safe light, to their Safety Phosphene Lamps and materials for burning them.

THE Best Youth's Magazine For 75 Cents a Year, including Postage. THE postage on "The Youth's Cabinet," is to any part of the Union, by a late act of Congress, is now only 6 cents a year!

1,000 Book Agents Wanted, To sell Pictorial and Useful Works for the year 1852. \$1,000 DOLLARS A YEAR!

Clothing Establishment. THE subscribers, under the firm of Wm. Dues & Co., have opened a Clothing Establishment at No. 163 William-street, New York.

NEW YORK AND BOSTON. REGULAR MAIL LINE, via Stonington, for Boston Providence, New Bedford, Taunton, and Newport carrying the great Eastern U. S. Mail, without change of cars or detention.

CENTRAL RAILROAD COMPANY OF NEW JERSEY. THERE are three passenger trains a day between New York and Philadelphia, and four between New York and Bound Brook.

NEW YORK AND BOSTON. REGULAR MAIL LINE, via Stonington, for Boston Providence, New Bedford, Taunton, and Newport carrying the great Eastern U. S. Mail, without change of cars or detention.

Miscellaneous.

Birth-Days.

BY MRS. LYDIA A. SUGGNEY. Bright birth-days, in the happy home! A tender love presides...

The Perils of Ballooning.

To the Editor of the London Times:— Sir: I was one of the passengers in the balloon which went up from Cremorne Gardens yesterday evening...

well as myself, entreat the others to remain quiet, but while we were yet speaking one man jumped out. Who he is no one knew; but we may thank him and two others for all we went through afterward.

ing seed at random from the crib, will, in a very few years, be much in favor of the former mode—the soil and cultivation being in both cases alike.

mace and cinnamon to the taste, and flour enough to make a stiff dough as for biscuit, with a pint of yeast. Set it in a warm place; when sufficiently risen, roll it into sheets, cut them into diamond-shaped pieces, and fry them in hot lard.

IMPORTANT DISCOVERY IN NAVIGATING SHIPS AT SEA.—It may not be generally known that the latitude of a ship cannot be taken if the sun and horizon be not both visible at the same time...

Church Bells. CHURCH, FACTORY, AND STEAMBOAT BELLS constantly on hand, and Peals or Chimes of Bells (of any number) cast to order.

Proper Size of Farms.

No error is more universal than for tyros in farming operations to suppose, that the business of farming may be pursued without means, and that first crops may be obtained from the soil without any additions.

American Climate and Longevity.

On a volume of Valentine's Manual of the Corporation of the City of New York for 1852, the Literary World has the following paragraph:—

Lake Michigan Fisheries.

Accident recently directed our attention to the amount of business now doing on Lake Michigan in the single item of catching and packing fish.

Receipts for Housekeepers.

To Make Tea Cakes.—These are prepared the same as bread, substituting for the water warm milk, with a little butter melted in it, and sugar; let it rise; knead it into thin cakes, which bake on an iron plate over the fire.

NEW YORK AND PHILADELPHIA.—The Express, with the help of tables in Mr. Hunt's "Merchant's Magazine," compares the number of population in New York and Philadelphia.

Table comparing population of New York and Philadelphia. Includes columns for City proper, Brooklyn, Williamsburg, Total, Philadelphia and suburbs, and New York and suburbs excess over Philadelphia and suburbs.

REASONS FOR SELECTING A RESIDENCE.

In his address to the throng which crowded to meet him at his late visit to Marshfield, Mr. Webster said:—

BRUISING APPLES.—The Working Farmer says, in speaking of the great success of R. L. Pell, and the high prices he gets in foreign markets:—"Mr. Pell has occasionally made a shunt-dent in an apple, and after tying a label to the stem, placed the apple so dented in the center of a barrel of sound apples, requesting his agent in England to report the result.

VARIETY.

A short time since, two little boys were flying a kite in Glasgow Green; the kite had attained a considerable elevation, when a vivid flash of the electric fluid struck the kite, and in the twinkling of an eye, the kite, tail and paper appended thereto, and the greater part of the twine, were consumed, leaving the poor fellows staring in utter amazement at the disappearance of their favorite.

American Sabbath Tract Society's Publications.

The following tracts, which are for sale at its Depository, No. 9 Spruce-st., N. Y., viz:— No. 1.—Reasons for introducing the Sabbath of the Lord's Day into the Christian Church. 28 pp.

For each additional square, forwarded the above sum.
